

TITLE 267 – NEBRASKA OIL AND GAS CONSERVATION COMMISSION

CHAPTER 4 – UNDERGROUND INJECTION

009 **TRANSFER OF AUTHORITY TO INJECT**

An order authorizing an enhanced recovery injection well or disposal well shall not be transferred from one operator to another without the approval of the Director. Prior to transfer of ownership of any injection well or change of operator, the new operator shall file written notice of such change with the Commission on Form 4 showing the proposed date of transfer along with proof of compliance with the bonding provisions of Rule 3-004.

009.01 The class II permits are considered expired once an applicant applies for a transition from Class II to Class VI injection wells. The operator must apply for and obtain a Class VI geologic sequestration permit.
